

Wigton Hospital League of Friends

Would you care to join us?

By doing so you can help support the **Wigton Community Hospital** and associated **Community Health Services**, which are increasingly vital in meeting the needs of our community on the **Solway Plain**. Under current Health Service plans more of the services you expect are going to be provided, not from the **District Hospitals at Carlisle and Whitehaven**, but “**Closer to Home**” from Community Hospitals and staff working in the Community. Only so much can be done with the Government funding provided, and the **League of Friends** works to **improve the level of care, and compassion with which it is provided**, by raising funds to supply equipment which would not otherwise be available, and supporting the staff in whichever ways are possible,

How do you become a Friend?

Membership is by subscription, currently £5, paid on joining and, subsequently, annually. You can then become involved as much, or as little, as you like. Just by paying your subscription you will have contributed significantly to our task.

The League of Friends is run by a Committee which meets at least four times per year. As a member of the League you can, if you wish, have influence as to who is on that Committee by voting at our Annual General Meeting to which you will be invited.

You may even care enough to stand for election to the Committee and have a direct say as to how our resources are deployed!

As a Friend you will be kept informed as to the activities of the Committee and opportunities to participate in any events and voluntary work instigated by the League.

Join now by completing the form below and posting it, with your £5 subscription in cash or by cheque, to our Secretary, or handing it directly to a Committee Member.

If you require further information before deciding please feel free to contact the Secretary whose address is on the form.
